

SCORE

Developing the Skills of Community & Health Workers Working with Refugees

What is SCORE?

SCORE is a 3-year European project which will bring an innovative intervention in the framework of education of professionals in working with refugees & asylum seekers, in areas except the first entrance and hot spot areas.

This kind of professionals could be service commissioners and providers working in local authorities in children's and adults' services, who would benefit from receiving specific training and support by VET teachers & trainers. It will also be of interest to asylum seeker & refugee organizations and voluntary organizations in these areas. The project will also help educate the local societies on the refugee humanitarian problem.

SCORE's Aims

To provide a new type of education to community and health workers, in the field of effective contact with refugees, and to any other volunteers.

To bring to the participants a greater understanding and responsiveness for the vulnerable groups, such as refugees

To encourage these professionals have a more active participation in society, for refugees

To promote to the participants a more positive attitude towards the EU values

To raise awareness in local communities about refugees

SCORE's Challenge

To help community & health professionals work and communicate with refugees more effectively by improving their skills

To enhance the workers' sense of initiative by increasing their self-confidence and readiness

To increase motivation and satisfaction at this field of work

To increase facilitation for refugees, making their daily life easier

To make all the participants respond in a positive way to the policies of Europe concerning social inclusion, non-discrimination and active citizenship
